# CHRISTMAS HUNT!

Today's aim: **BE A HERO**

Most of us get to be warm and cosy on Christmas Day! But not everybody is as lucky. For people without a home, it's not a merry time of year at all. How can we help?

Let's do a hunt! This time, you're hunting with your family for things you don't use anymore that you could give away to people who really need it!

## Clothes

Are there some clothes you never wear? Or that are a bit too small now? Think about warm things especially; hats, gloves, blankets and jumpers.

## Books

Are there books you've finished? There's not much to do when you don't have a home, but books are perfect! They take us away to other worlds.

## Food

A great thing about Christmas is the food! Can you imagine not having enough to eat? See if there is anything in the cupboard you could give away.

## Toys

If you're lucky enough to have lots and lots of toys, have a look and see which ones you don't play with so much. They could make someone so happy.

## Level up:

- Look up where your nearest homeless shelter is and donate your items.
- Find out if there is anything else they need in particular.
- Have a think about what you could do next year to help homeless people?

# READING

Let's read about: **A REAL ELF!**

## CANDY CAKES THE ELF

### BIOGRAPHY

Candy Cakes is a seriously clever elf. Father Christmas has awarded her lots of medals for her scientific inventions. The best of which is her candy cane plant. It's been so successful, there is now a huge candy cane forest in the North Pole for the reindeers to enjoy.

Candy Cakes really wanted to teach the rest of the world how to grow their own. Of course they won't quite grow as big as the ones in the candy cane forest, but they will still be very delicious! Here's what she says.

*"Place a small red sweet in a little pot of soil. Next, whisper some nice things you did this year into your hands, and sprinkle it onto the soil (this works as fertiliser). Put it by a window ready for me to put the last magical touches on it on Christmas Eve, and by Christmas morning you will have a candy cane!"*

Grown ups: You might need to lend a hand! Soil can be messy...

#### Level up:

- Candy Cakes works hard on her special skill - magical science!
- Which skills have you been working on this year?
- Have a think about how much you've improved since last year. Amazing!

**CANDY CAKES IS A LEGEND!** And never forget **THAT YOU ARE TOO!**
